

Transcript of the UC Davis College of Engineering Overview movie.

This movie has no vocal information in the soundtrack but does contain textual information in the video. This transcript provides that information in a text format.

(Start of transcript.)

"A university should be a place of light, of liberty, and of learning."  
Benjamin Disraeli, British Statesman.

(MUSIC IN)

Welcome to the UC Davis College of Engineering.  
Overview.

Since our founding in 1962, we have been on a path of growth and innovation.

Our faculty and their students use science and technology to solve real problems.

79 New Faculty,  
Record Funding,  
State-of-the Art Facilities,  
Cutting Edge Research.

We are leaders in...

Energy Research,  
Alternative Fuels and Hybrid Vehicles,  
Computer Network Security,  
Biomedical Imaging Technology.

A foundation of strong fundamentals.

A uniquely friendly, open society of rigorous scholarship.

Our historic commitment.

Distinguished Faculty,  
Community of Scholars,  
Researchers and Teachers,  
Scholarship and Contributions,  
Teaching and Mentoring.

Our research.

Record Funding,  
Advance Knowledge,  
Transfer Knowledge.

Our global community engineering projects.

Our collaborative culture.

Our offerings.

15 Majors,  
Peer, Staff, and Faculty Advising,  
Internship Program,  
Student Assistance.

Our hands-on engineering skills.

Challenge X Competition,  
Aero Design Competition,  
Steel Bridge Competition.

We are at the center of everything.

An ideal place to learn, discover and make a world of difference.
