

2016 DISTINGUISHED ENGINEERING ALUMNI MEDAL NOMINATION FORM

DISTINGUISHED ENGINEERING ALUMNI MEDAL

Founded in 1962, the College of Engineering at UC Davis has awarded more than 26,000 graduate and undergraduate degrees. Its success is due, in large part, to the strong support of alumni, friends, faculty, staff and students.

Each year the Distinguished Engineering Alumni Medal recognizes UC Davis alumni whose outstanding professional and personal achievements bring honor to themselves and the College of Engineering.

SELECTION CRITERIA

Medal recipients are UC Davis engineering graduates with fifteen or more years of professional experience, have a record of outstanding leadership or achievement, have volunteered service to the College of Engineering or the engineering profession and have enhanced the reputation of the college or UC Davis.

MEDAL CATEGORIES

Medals are presented to engineering alumni with a record of professional achievement in one of three categories:

ACADEMIC ACHIEVEMENT

For distinction in teaching, research or other scholarly pursuits

BUSINESS ACHIEVEMENT

For accomplishments in business or industry, including executive status, entrepreneurial success or business innovations

PUBLIC SERVICE ACHIEVEMENT

For service that benefits a community or public
